

Closing Out of a Bankrupt Stock

DOUGLASS & MYERS,

One Price Star Clothing House,

Have purchased the stock of goods formerly belonging to D. B. Smith, at bankrupt sale, for

33 Cents on the Dollar

And are now offering them at a slight advance on this price. The stock consists of Ready-made Clothing, Gents' Furnishing Goods, Hats, Caps, &c., and it is a first class stock. We will sell these goods right out, and give great bargains, bargains never before heard of in Jackson. It will be a grand benefit, improve it.

We are now selling out our stock of winter goods, to make room for spring goods, and are selling low. Bargains can be had in every department at
